

# DR. TODD M. HALL, SR. - BIOGRAPHY

## **HUMBLE BEGINNINGS**

Dr. Todd M. Hall, Sr. is the eldest of nine born on June 21<sup>st</sup> to teen-age parents Aaron (aka Lil Bra) Hall, Jr. and Johnella Romeo (mother deceased) out of wedlock, who later married as childhood sweethearts. In most cases society and even the church ostracized such children born under these conditions labeling them bastards with no purpose, but not so in the case of Todd Maurice Hall, Sr. who was chosen of God from the womb just like the Prophet Jeremiah in the Bible ("Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations." Jeremiah 1:5) to preach the gospel, lead God's people and to shake the very foundation of the Earth with a ministry that is edgy, intoxicating, transparent and undoubtedly one of the most prolific praise experiences one could ever encounter.

Growing up in the projects on the hard and unforgiving streets of Brownsville, Brooklyn in New York it didn't take long for this young man to be lured into a hustling lifestyle of illegal pharmaceutical sales and gangs. At the tenuous age of nine he was already, on the downlow becoming a major block boy with an accredited street name hand selected by one of America's notorious gangsters. Doing all of this and more as he grew into a teenager camouflaging his activities behind the back of his anointed father while still, exceling in education (due to the nurturing and unyielding guidance of his bonus mom Yvonne McDougal-Hall, attending church, being involved at times in the choir, playing the organ and the drums and loving God wholeheartedly. Coming from four generations of preaching, Bible believing, praising and devil casting out relatives he shunned the idea of joining them. Little did Todd know that although his intentions were to be the "King of the Streets" that God was protecting His chosen vessel from death, harm and on a few occasions what should have been a jail cell, all while preserving him to be a "General of Salvation for the Kingdom"

## **CALL TO MINISTRY & TESTIMONY**

On January 4<sup>-</sup> 1979 he gave his heart to the Lord, but it wasn't until 1983 that he formally met the Lord. Todd was unaware of the road ahead as he walked the streets with his home boys, that he would come to a crossroads where the paths of the street life and glory life would collide. He had no idea when he woke up that morning that by the time the day was nearly done, he'd be snatched, saved, sanctified and filled with the Holy Ghost. It is by no accident that this man high on weed, hungry and on his wat to get two all-beef patties, special sauce, lettuce, cheese, pickles on a sesame seed bun headed to get more intoxicated at a house party took the path that he took at the time that he had taken it. Little did he realize that even then his steps were ordered. ("The steps of a good man are ordered by the Lord; and He delighteth in his way. "Psalms 37:23) At approximately 8:36pm he walked by Kelly's Temple Church of God in Christ where he heard the familiar sound of church silently calling his name. He stepped into those doors from his evening high to observe and laugh at the silly church people rolling and jumping around only to never reach his intended destination but to arrive at his destiny.

It is now more than thirty (30) years later and he is still moving forward. As he so transparently shares when he ministers that he has looked back, thought back and even was close to stepping back but he hasn't turned back and fights with all his might to continue on the journey ahead, The road to Now has been rough, painful, questionable shaky and even debilitating and detrimental to his health, but he remained steadfast with his eyes towards heaven as in Psalms 121:1-2 (I will lift up mine eyes unto the hills, from whence cometh my help. My help (cometh) from the Lord, which made heaven and earth) and is a true testimony of what God can bring you from, through and out of no matter the situation. His anointing stems from the hand of God, but has been cultivated through the leadership and spiritual inheritance of Apostle Arturo Skinner, Bishop F.D. Washington and Dr. Joseph Arnold King of New York (All deceased) and his father Elder Aaron R. Hall, Jr. and Bishop Carruth Hall (now deceased, Las Vegas, Nevada)

Dr. Hall's faith and testimony in the power of praise are evident through the miraculous healing of throat cancer, bell's palsy, and a stroke, which once rendered him incapacitated with paralysis, blurred vision partial facial disfigurement and

slurred speech. Although he miraculously preaches with one functioning vocal cord, it is through the vehicle of praise that he is healed delivered and set free. Dr. Hall leads by example and lives the lifestyle of an extremely passionate Praiser. Praise is the heartbeat of his ministry and the foundation by which he stands on the word and promises of God.
